Spring has arrived and the turtles are out!

Entertain * Engage * Enjoy
Spring is here…it must be - I saw a rabbit in my backyard! I am so ready! It definitely seemed to take longer than usual this year, but luckily, we will soon forget our impatience as the birds sing and the full beauty of Victoria blooms. That is if you can find a street that is not in the midst of construction – what a busy place... we are growing there is no doubt!.. I hope you noticed the photo on the front page of this newsletter – it won’t be long until we can enjoy our pond….the frogs and ducks can’t wait to see us.

With the arrival of Spring, we have wonderful things to celebrate, particularly those special people in our lives. My mother is no longer with us but I feel her presence often and particularly on Mother’s Day. The Club is pleased to offer a Mother’s Day brunch on May 14th. Reserve your family’s spot for this special day at the Club.

The Club is in its 50th year and what better way to celebrate than with a Wine Dinner Theatre. Sea Star Winery is back with their amazing wines...and oh so local...from Pender Island. The evening includes a four course dinner and live entertainment and memories.

What else is happening at the Club.....
The next whisky tasting event is on May 3rd. Our host, David McMillan, has a surprise as we enjoy a blind taste test and one of the tastings is not whisky! Come help us solve the mystery and learn something along the way about that golden beverage. Reserve soon so you don’t miss it.

If you like lobster then June is your month. The Club’s annual Lobsterfest is June 17th. Your bib and crackers await.

Check out The Weekly Events and the remainder of this newsletter for more details.

A Journey back to 1967

The University Club celebrates its fiftieth anniversary this year. To mark this wonderful milestone, we are delighted to invite you to attend an evening dedicated to the year in which the Club was founded. Food, drinks, and the entertainments will take you back to 1967, a year of artistic creativity, social turmoil, and political change.

Do you think you remember what happened in that year in Canada and across the world? Here’s your chance to find out, whether you lived through it or just know it from films, TV, music, and books. Dr. Marcus Milwright will be your host and actors from the UVic’s theatre program will be on hand to perform scenes from plays and films of the year and you will have a chance to take part in the 1967 quiz.

Take yourself back to the year when Canada was just a century old, the Beatles recorded Sergeant Pepper, and thousands marched against the war in Vietnam. Raid your wardrobes and come dressed in period costume!

“One of these is not a Scotch”
