We will be accepting takeout orders through our reservat@uvic.ca email.

Please include the following information in your email request:

- Items from our takeout menu you would like to order. Please include your preferred sides when the option is available.
- Your preferred pick up time that is within our hours of operation.
- Your member number and the name associated with the account.
- A phone number that you can be reached at.

There is a “takeout waiting area” marked next to a trolley for contactless pick up at the entrance of the Club. Please check in inside and then wait by the trolley.

The email with your member number will grant us permission to charge to your membership account. This is a replacement to signing a chit and lets you have a contactless takeout order. You will receive a confirmation email as soon as we are able to respond.

Please note that due to environmental reasons, we will not be including to-go cutlery with takeout orders. We apologize in advance for any inconvenience.
