GRATUITIES

As we are often asked about our optional gratuity policy, we have included it below.

There are three ways in which to leave a gratuity, should you choose to do so:

1. If you leave cash on the table, it will go directly to your server for that particular visit.

2. If you write the amount on your meal or drink order chit (either a dollar amount or a percentage of the sales) the gratuity will be added to a tip pool for all of the Union staff.

3. If you ask the Office Manager to add a gratuity percentage amount onto your membership profile, each time a server or bartender enters your membership number into the terminal, a little notice will pop up prompting them to add the gratuity. This also goes into the tip pool for all of the Union staff.
