The safety and well being of our members, guests, and employees are our #1 priority. As such, we are taking the following steps to ensure the safe delivery of our food to your table.

• As always, we will be following all FOODSAFE procedures, which serve to prevent the spread of viruses, food-borne illness, and other bacteria.
• We have provided additional gloves and masks to staff (which are replaced frequently), and have more frequent reminders to employees to wash their hands.
• We have increased the schedule of surface sanitation in the Club.
• We have worked with our suppliers to guarantee the safety of our restaurant with heightened precautions.
• We are accepting member charges only (No Cash or Card), so payment is entirely contactless.
• Our staff will not be reporting to work if they are experiencing any forms of illness, no matter how minor.

On behalf of all of us at the University Club of Victoria, thank you so much for your support and trust in us. We are pleased to be able to provide a limited service to our members through this time of uncertainty. We are eager to have you back at the Club.

Be well, be safe, & be kind.
