We will be accepting takeout orders through our reservat@uvic.ca email. Please include the following information in your email request:

- Items from our takeout menu you would like to order. Please include your preferred sides when the option is available.
- Your preferred pick up time that is within our hours of operation.
- Your member number and the name associated with the account.
- A phone number that you can be reached at.

The email with your member number will grant us permission to charge to your membership account. This is a replacement to signing a chit and lets you have a contactless takeout order. You will receive a confirmation email as soon as we are able to respond.

There is a “takeout waiting area” marked at the entrance of the Club where you can pick up your order. Please help us keep others safe by remaining a minimum of 2 meters from other members and guests around you when picking up your order.

Please note that due to environmental reasons, we will not be including to-go cutlery in with takeout orders. We apologize in advance for any inconvenience.
